The Hub will be the home of the HGTV Urban Oasis 2013, a custom-designed 1,000 square-foot paradise located on the 24th floor of the Residences at W Boston in the city's Theater District.

Inspired by interior designer Lindsay Pumpa, the fully furnished HGTV Urban Oasis 2013 features one bedroom, one-and-a-half baths, a gourmet kitchen and views of the Charles River, Boston Common and Public Garden. As part of the grand prize package, the winner will enjoy perks from the W Boston Hotel including in-residence dining, 24-hour concierge, valet parking and access to the fitness center, officials said.

"Our space will command an identity distinctively different from past HGTV Urban Oasis units, with unobstructed views of some of America's most historic sites," said Jack Thomasson, HGTV professional house planner.

Viewers can enter for a chance to win the HGTV Urban Oasis 2013 Giveaway at HGTV.com and FrontDoor.com starting Aug. 26, officials said.

The W Boston is a 28-story mixed-use development with hotel, condo, restaurant, spa, retail, and bar components.
